Motion To Assign Judge

The Plaintiff, Robert Beadles, hereby moves the Court for an order assigning a judge to this case.

The Court has not assigned a judge to this case since the original judge recused himself on

Monday, 8/7/23. This case requires the court to issue citations to the defendants within 5-10 days

from the date of the complaint. The complaint was filed on 8/4/23; the five-day provision has

passed, and 10 days will be on 8/14/23. There is still no judge assigned to this case. I have requested the Honorable Judge Simons via two motions that are currently unanswered by the court.

The Plaintiff respectfully demands that the Court assign Judge Simons who appears to be an unbiased, highly ethical and non-conflicted judge to this case today to ensure my due process rights are not violated.
